

What's NEW

Here's our guide to what's exciting in knitting right now

A Swift Knit

This new Stylecraft yarn is extremely chunky and intensely warm. What more could you ask for in a winter yarn? Easy to wear and care for, this yarn's mottled effect will add some well-needed splashes of colour throughout the dull winter months. The shades are inspired by nature and each strand has such chunky squish appeal that you will be swiftly knitting up new garments in no time.

Something New

If you're a knitter who is always hungry to try something new, then Pony might just have the thing for you! Ply Split Braiding is an ancient braiding technique that has found its way back into contemporary crafts and with Pony's new needle, you can explore a new adventure in textiles. This needle is perfect for creating beautiful belts, bracelets, bags and all sorts of other exciting creations. Available nationwide from craft, knitting and haberdashery suppliers, this could be your new passion!

Head over Heels

Described as a celebration of socks, you will struggle to find a more vivacious collection of sock patterns. A smorgasbord of colour, cabling and Fair Isle, these unique socks, designed by Jane Burns, are as individual as you are! Bringing together all the fun of the Paintbox Socks colour palette, boring socks are truly a thing of the past. Sock knitting should be full of fun, and these are socks that revel in it. www.lovecrafts.com
